

## Join Wild Connections now!

Individuals are at the heart of Wild Connections. Memberships and special contributions help toward our long-term goal of 50% of our income from individuals. Earth Friends Conservation Fund has challenged us to enlist 400 people. So, join now and help us meet this challenge.

### Membership

- Annual memberships can be paid at any time. We will send a renewal reminder.
- Monthly or quarterly pledges can be arranged.
- Members will receive invitations to make special contributions in the spring and at year-end. We promise not to send you a fund-raising letter every other week!
- Invitations to special events will come occasionally. Members will receive a discount.

### Benefits for members

- The biggest benefit is knowing that you are part of a like-minded group of people who value our natural world and are committed to protecting the forest and canyon lands of south central Colorado.
- Your money will be put to work on restoration projects, defending the wildlands of our region and supporting effective staff.
- The full amount of your membership contribution is tax-deductible.
- Landscapes, Wild Connections' science and policy newsletter, will be sent to members twice a year. We encourage you to sign up for the electronic edition to reduce costs.
- Wild Connections E-News, a monthly update, is available by e-mail or on the web.

*Every membership and special gift helps us meet Earth Friends Conservation Fund's challenge.*

*You can fill in this form on the computer now. However, Adobe Reader cannot save the filled in information; so print it before closing the file.*

**Help meet Earth Friends' challenge with your membership contribution or special gift.**
